Re: Easterday Ranches, Inc.

Dear Ms. Osborn:

I am writing to acknowledge Ecology's receipt of your recent (April 7, 2011) letter regarding your environmental concerns associated with Easterday Ranches, Inc.

Your complaint is logged into our tracking system and is being managed according to our standard procedures. Key program staff has been conferring, and I believe an inspection is likely and eminent.

Thank you for sending in your concerns. You may check back at your convenience to provide additional information and/or to track our activities. Because you have identified concerns that cover multiple programs in our Spokane office – you may want to contact me as a starting point.

Sincerely,

Grant Pfeifer
Regional Director
